Saturday Afternoon Orchid Programs

Give It a Rest

Marni Turkel, Stony Point Ceramic Design

Many plants receive a dry rest period in their native habitat and this talk explores some of the factors involved. Learn a bit about weather patterns and the “make it or break it” effect a dry rest period can have on growth and flowering of particular species. You’ll see some plants that many people find hard to bloom and find out how to get a great blooming by giving them what they need.

Today’s Mini and Compact Cattleyas

Fred Clarke, Sunset Valley Orchids

Today mini and compact growing Cattleyas come in many colors and shapes. Learn about the small growing Cattleya species, the important breeding plants and what

hybrids are available for the orchid enthusiast. In conclusion Fred will cover the “best practices” for growing these little gems.
